

Introduction to Bee Keeping.

Health and Safety Declaration.

I understand that the practical sessions on the Chevin are undertaken at my own risk and may not be accessible for those with special needs, due to the nature of the natural landscape on the Chevin and in the Orchard.

I understand that I must bring my own beekeeping suit, gloves and mask to attend the practical sessions and that failure to bring these items will mean that I will not be permitted to attend the practical sessions. *[We regret that no refunds will be given for classes missed due to arriving without the correct equipment. Advice will be given by the tutor on the first evening.]*

I understand that Prince Henry's Grammar School is not liable for any injury caused by allergy to bees. I undertake to have a bee allergy test prior to attending the course.

I will bring this form to the first session at Prince Henry's Grammar School.
