## Calculating:

| Objective | Sparx Task |  |
| :---: | :---: | :---: |
| Addition and subtraction using bar modelling | U478 |  |
| Understand and use the laws of commutativity |  |  |
| Use the adjusting method to solve addition and subtraction problems |  |  |
| Position negative integers on a number line | U947 |  |
| Add and subtract with positive and negative numbers | U742 |  |
| Add and subtract integers using column method | U478 |  |
| Multiply integers using formal written methods | U127 |  |
| Divide integers by single digit integers | U453 |  |
| Multiply with negative numbers | U548 |  |
| Divide with negative numbers | U548 |  |
| Divisibility Rules |  |  |
| Identify factors using division | U211 |  |
| Identify prime numbers | U236 |  |
| Identify and use multiples of numbers |  |  |
| Find the LCM of a set of numbers | U751 |  |
| Find the HCF of a set of numbers | U529 |  |
| Index notation for squares and calculating with squares and square roots |  |  |
| Index notation and writing a number as a product of prime factors | U250 |  |
| Calculating square and cube roots using factorisation |  |  |
| Order of operations with addition, subtraction, multiply and divide | U976 |  |
| Order of operations with powers | U976 |  |
| Calculations under a square root |  |  |
| More complicated operations involving calculations on numerators and denominators |  |  |
| Squaring negatives on a calculator and using a calculator |  |  |

## Expressions, Functions and Formulae:

| Objective | Sparx Task |  |
| :--- | :--- | :--- |
| What is a term and what is the coefficient term |  |  |
| Identify term, expression, formula and equation | U105 |  |
| Collecting like terms with positive coefficients | U105 |  |
| Collecting like terms with negative coefficients | U105 |  |
| Collecting like terms more practice combining positive and <br> negative terms | U662 |  |
| Multiplying terms | U179 |  |
| Dividing terms | U179 |  |
| Simplify terms using multiplication and division | U179 |  |
| Multiply an integer over a bracket | U365 |  |
| Multiply a single term over a bracket | U585 U144 |  |
| Expand and simplify multiple single brackets | U585 U144 |  |
| Factorise an algebraic expression with integer factor |  |  |
| Construct simple expressions from words |  |  |
| Substitute positive and negative numbers into expressions <br> and formulae | Substitute positive and negative numbers into expressions <br> involving powers | Use function machines to find the input, output or function |
| Solve missing number problems using inverse operations | U42 |  |
