

**Calculating:**

Objective	Sparx Task	
Column addition	M928	
Column subtraction	M347	
Rounding to the nearest 10	M111	
Multiply using knowledge of times tables		
Recognise multiples of a number		
Recognise square numbers	M135	
Find roots of square numbers on a calculator	M135	
Divide using knowledge of times table facts	M462	
Use approximation to estimate division calculations	M562	
Multiplying by 10, 100 and 1000	M113	
Dividing by 10,100 and 1000	M113	
Applying four operations to problems	M521	
Position positive and negative numbers on a number line	M527	
Use a number line to perform simple addition and subtraction operations	M763	

**Expressions, Functions and Formulae:**

Objective	Sparx Task	
Identify a term and a coefficient		
Simple addition and subtraction of like terms, including powers	M949	
Simplify expressions using multiplication	M949	
Simplify expression using division	M949	
Find outputs of simple function machines	M175	
Find inputs of function machines given the output	M175	
Substitute integers into simple expressions (not done multiplication of negatives yet)	M327
