FAO Parents/carers who have reserved an On-Site Lateral Flow Test for their child in January

Dear Parents/Carer

We have been able to accurately establish the number of parents who would like their child to attend site for a supervised lateral flow test through the electronic form we sent out a couple of weeks ago. The testing **for these students only** will all take place on Tuesday 4th January 2022. The full student population will return on Wednesday 5th January when lessons will resume for all year groups.

If you have reserved an on-site test, you will need to make arrangements for your child to attend at the specified time (see below). The testing on Tuesday 4th January will take place in **Lower Hall** (*not* the sports hall). Students should enter the building through the door directly opposite the entrance to Lower Hall and continue through the right-hand door. Students should leave the site as soon as their test has been completed.

If your child can walk to school to attend their test then they should do so. If, however, they need to be brought by car, we suggest that you access the site via the Farnley Lane entrance, turn left at the top of the drive and park on the hard standing adjacent to the rugby pitch.

Additional lateral flow kits for students to continue testing twice-weekly at home will be issued during the first week back in January (these will be in addition to those due to be distributed this week). Students will then be able to resume home testing from Sunday 9th January 2022.

Please attend site at the time indicated by your child's year group and the first initial of their surname:

	Yr.7	Yr.8	Yr.9	Yr.10	Yr.11	Yr.12	Yr.13
A - I	8:30	9:15	9:55	10:40	13:00	11:25	13:40
J - R	8:45	9:30	10:10	10:55	13:10	11:30	13:45
S - Z	9:00	9:40	10:20	11:10	13:20	11:35	13:50

I hope the details included above provide enough information. If you are unsure about anything, please feel free to contact the school through the info@princehenrys.co.uk email address or by phoning the school reception on 01943 463524. If necessary, we will try to respond during the Christmas break but please remember that we do not have as many staff available to respond to queries and questions after Friday 17th December.

Please remind your child to bring a mask as they will be required to wear one in the test centre.

Yours faithfully
