

Assessment Evidence 2021 – Subject Summary

- Each subject's evidence that will be gathered to produce robust grades in subjects at KS4:

GCSE Art

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	In Class Assessment - Final Project done in class along with supporting development/preparation sheets made up of both classwork and home learning covering all Assessment Objectives 1 to 4	30%
Piece of Evidence 2	In Class Assessment - Year 11 first project with development/preparation sheets and final outcome covering all Assessment Objectives 1 to 4.	30%
Piece of Evidence 3	In Class Assessment - G.C.S.E. Coursework portfolio board predominantly Year 10 Heads & Organic/Landscape projects covering primarily Assessment Objectives 1 to 3.	40%

GCSE English Language

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	In Class Assessment - Language Paper 1A – Fiction Reading , 60mins, 40 Marks, AO1-4	50%
Piece of Evidence 2	In Class Assessment - Language Paper 1B - Fiction Writing 50mins, 40 Marks, AO5-6	50%

GCSE English Literature

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - Literature Paper – Lit Text (Option) 50mins, 34 Marks, AO1-4	50%
Piece of Evidence 2	Subject Test - Literature – Unseen Poetry (Part 1 & Part 2) 50mins, 32 Marks, AO1-4	50%

GCSE Maths

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	<p>In Class Assessment - (40 minute - non calculator paper) Foundation – fractions, integers, algebraic expressions, charts for discrete data, volume</p> <p>Higher – percentages, linear equations/inequalities, circle area and perimeter, charts for continuous data, sequences</p> <p>See student revision lists for more detail on topics for all assessments Student Revision List - Foundation Student Revision List - Higher</p>	20%
Piece of Evidence 2	<p>Subject Test - (1 hour - Calculator allowed) Foundation – percentages, decimals, probability, angles, speed, Pythagoras & trigonometry</p> <p>Higher – ratio & proportion, simultaneous equations, volume, probability, angles</p>	40%
Piece of Evidence 3	<p>Subject Test - (1 hour – Calculator allowed) Foundation – ratio, perimeter/area, equations, averages, powers and roots</p> <p>Higher – quadratics, compound measures, graphs, indices and surds, trigonometry and Pythagoras</p>	40%

GCSE French

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - <ul style="list-style-type: none"> Foundation: LISTENING test (30 mins) Higher: LISTENING test (40 mins) Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle	30%
Piece of Evidence 2	Subject Test - <ul style="list-style-type: none"> Foundation: READING test (35 mins) Higher: READING test (50 mins) Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle	30%
Piece of Evidence 3	In Class Assessment - <ul style="list-style-type: none"> Foundation: Photo description + 40-word WRITING task (25 mins) Choice of topics: (1) School; (2) Holidays Higher: 90-word WRITING task (25 mins) Choice of topics: (1) Hobbies (2) Family 	Foundation = 24% Higher = 14%
Piece of Evidence 4	In Class Assessment - <ul style="list-style-type: none"> Foundation: 90-word WRITING task (25 mins) Choice of topics: (1) Hobbies (2) Family Higher: 150-word WRITING task (40 mins) Choice of topics: (1) Holidays; (2) School 	Foundation = 16% Higher = 26%

GCSE Spanish

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	<p>Subject Test -</p> <ul style="list-style-type: none"> • Foundation: LISTENING test (30 mins) • Higher: LISTENING test (40 mins) <p>Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle (except diet), My house</p>	30%
Piece of Evidence 2	<p>Subject Test -</p> <ul style="list-style-type: none"> • Foundation: READING test (35 mins) • Higher: READING test (50 mins) <p>Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle (except diet), My house</p>	30%
Piece of Evidence 3	<p>In Class Assessment -</p> <ul style="list-style-type: none"> • Foundation: Photo description + 40-word WRITING task (25 mins) Choice of topics: (1) School; (2) Free-time • Higher: 90-word WRITING task (25 mins) Choice of topics: (1) Holidays; (2) Local area. 	<p>Foundation = 24%</p> <p>Higher = 14%</p>
Piece of Evidence 4	<p>In Class Assessment -</p> <ul style="list-style-type: none"> • Foundation: 90-word WRITING task (25 mins) Choice of topics: (1) Holidays; (2) Local area. • Higher: 150-word WRITING task (40 mins) Choice of topics: (1) Food and Celebrations; (2) School 	<p>Foundation = 16%</p> <p>Higher = 26%</p>

GCSE German

For this subject	Will be...	With the following weighting:
Piece of Evidence	Subject Test - <ul style="list-style-type: none"> Foundation: LISTENING test (30 mins) Higher: LISTENING test (40 mins) Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle	30%
Piece of Evidence 2	Subject Test - <ul style="list-style-type: none"> Foundation: READING test (35 mins) Higher: READING test (50 mins) Language will cover a range of topics but will not specifically test vocabulary on: Social issues, Global issues, Healthy lifestyle	30%
Piece of Evidence 3	In Class Assessment - <ul style="list-style-type: none"> Foundation: Photo description + 40-word WRITING task (25 mins) Choice of topics: (1) Free time; (2) Life at Home Higher: 90-word WRITING task (25 mins) Choice of topics: (1) Holidays (2) School 	Foundation = 24% ¹ Higher = 14%
Piece of Evidence 4	In Class Assessment - <ul style="list-style-type: none"> Foundation: 90-word WRITING task (25 mins) Choice of topics: (1) Holidays (2) School Higher: 150-word WRITING task (40 mins) Choice of topics: (1) Free time (2) Local Area and Tourism 	Foundation = 16% Higher = 26%

GCSE Ethics Philosophy and Religion

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - One hour subject test in which students will have to answer 2 out of 4 questions. Topics to be assessed will include Issues of Relationships, Issues of Life and Death, Issues of Good and Evil, Issues of Human Rights. 66 marks in total.	50%
Piece of Evidence 2	In Class Assessment - One 30-minute assessment. A set of questions set by the exam board. Topic to be assessed: Islam Practices. 30 marks in total	25%
Piece of Evidence 3	In Class Assessment - One 30-minute assessment. Using past paper questions. Topic to be assessed: Christianity Beliefs. 36 marks in total	25%

GCSE Geography

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - 1 hour 30 minute, covering topics on Human topics (Urban Issues and Challenges, Economic Development) and Physical topics (Living World, Rivers and Coasts). (90 marks)	60%
Piece of Evidence 2	In Class Assessment - A set of questions set by the exam board on Resource Management (25 marks)	25%
Piece of Evidence 3	In Class Assessment - Hazards assessment which included a mixture of short answer and long answer questions completed in October 2020 (50 marks)	15%

GCSE History

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - Weimar & Nazi Germany paper (24 marks) 4m inference & 16+4 - choice of interpretation – 1 hour <ul style="list-style-type: none"> • Nazi Women • Nazi opposition and support • Nazi persecution • Rise of the Nazis 	40%
Piece of Evidence 2	Subject Test - Medicine Through Time paper (24 marks) 4m & 16+4m – choice of question – 1 hour <ul style="list-style-type: none"> • Medieval care and treatment • 19th century and 20th century care and treatment • Causes of disease – Medieval, Renaissance, 19th and 20th Century 	40%
Piece of Evidence 3	In Class Assessment - A choice of one 16-mark question from 3 – 45 mins <ul style="list-style-type: none"> • Threats and challenges 1559-1568 • Threats and challenges 1569-1588 	20%

GCSE PE

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	<p>Subject Test - Two (one hour) assessments covering paper 1 content (the human body and movement in physical activity and sport - <i>not injury prevention or warming up/cooling down</i>) and paper 2 content (socio-cultural influences and well-being in physical activity and sport – <i>not consequences of a sedentary lifestyle, energy use, diet or hydration</i>).</p> <p>The two assessments will be 50 marks each and include multiple choice, short questions and a 6-mark extended question.</p>	50%
Piece of Evidence 2	<p>In Class Assessment - Students will have 30 minutes to answer a 9-mark question from paper 1 (the human body and movement in physical activity and sport) and a 9-mark question from paper 2 (socio-cultural influences and well-being in physical activity and sport). The topic areas will be as follows:</p> <ul style="list-style-type: none"> • Paper One – Types of training • Paper Two – Factors affecting performance 	10%
Piece of Evidence 3	<p>Other Assessment - Practical (two performances in identified activities) and written (analysis and evaluation of performance) NEA.</p>	40%

GCSE Music

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	<p>Subject Test - Listening and Appraising with advance notice of topics (see revision list students will receive for topics) 1 hour 30 minutes</p>	40%
Piece of Evidence 2	<p>Other Assessment - <u>NEA performance</u> – option to record video at home or record in school/ minimum 1.30secs.</p>	30%
Piece of Evidence 3	<p>In Class Assessment - <u>NEA composition</u> - <i>this is largely complete in the majority of cases.</i></p> <p>The quality and progress of this unit will be taken into consideration.</p>	30%

GCSE Drama

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test – 1 hour Performance and Response – With advance notice of topics students will demonstrate their knowledge and understanding on the play ‘Blood Brothers’.	25%
Piece of Evidence 2	Other Assessment - NEA Presenting & Performing Text - Option to record the digital copy of a monologue at home or record in school/ minimum 1.30secs. - Complete and submit a reduced supporting concept proforma.	50%
Piece of Evidence 3	In Class Assessment - NEA Devising Drama -Record the digital copy of a group devised scene in school. - Complete and submit Section 1 of the Portfolio - Research and Initial ideas. Approximately 2 sides of A4 or equivalent in supporting information. <i>Students will not have completed this unit, they will be asked to polish the performance work they had from 2020 and reduce the original length.</i> <i>The quality and progress of this unit will be taken into consideration.</i>	25%

GCSE Media Studies

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (1 hour 30 minutes) Paper 1 section A - Representations (Advertising) Advertising Question – comparison of set text and unseen Film Industry question	30%
Piece of Evidence 2	Subject Test - (45 minutes) Long form TV drama question - Luther	40%
Piece of Evidence 3	In Class Assessment - (30 minutes) Magazine Assessment – how does media language create meaning – media language and contexts	30%

GCSE Computer Science

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (1 hour) Computer systems – covering the following topics: Systems Architecture, Memory, Storage, Wired and wireless networks, System security, System software, and Ethical, legal, cultural, and environmental concerns	42%
Piece of Evidence 2	Subject Test - (1 hour) Computational thinking, algorithms, and programming – covering the following topics: Algorithms, programming techniques, producing robust programs, computational logic, and data representation	42%
Piece of Evidence 3	In Class Assessment - (45 minutes) Including 1 extended response question from component 1, and 2 algorithm questions.	16%

GCSE Biology Triple award Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (1 hour 15 minutes, 70 marks) covering topics: Photosynthesis, Respiratory system, cell structure and cell cycle, methods of transport into cells, immune system and drug testing.	50%
Piece of Evidence 2	In Class Assessment - (40 min, 35 marks) covering topics: Meiosis and mitosis, DNA structure, genetic crosses and speciation	25%
Piece of Evidence 3	In Class Assessment - (40 min, 35 marks) covering topics: Food chains and sampling ecosystems, genetic engineering, nerves, the eye and the kidney.	25%

GCSE Biology double award foundation Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test (1 hour, 50 marks) covering topics: Infectious diseases and immunity, drug testing, adaptation and structure of cells, respiratory & digestive systems, lifestyle diseases, photosynthesis and transpiration in plants.	60%
Piece of Evidence 2	In Class Assessment (40 minutes, 35 marks) covering topics: Pupils will be tested on their understanding of sexual reproduction and inheritance, fossils and evolution, classification, nerves and hormones, food chains and sampling techniques.	40%

GCSE Biology double award higher Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test -(1 hour, 50 marks) covering topics: Structure of cells and magnification, respiration, digestion, infectious diseases and immunity, photosynthesis and transpiration.	60%
Piece of Evidence 2	In Class Assessment - (40 mins, 35 marks) covering topics: Pupils will be tested on their understanding of Variation and natural selection, sex inheritance and genetic diseases, general hormones, nerves, classification and extinction, deforestation, peat and biodiversity.	40%

GCSE Chemistry triple award Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (75 minutes, 70 marks) covering topics: Structure and bonding, metal reactivity and displacement, calculations- reacting mass, percentage yield and atom economy. Electrolysis of solutions, Development of the atom and atomic structure, development of the periodic table and group chemistry.	50%
Piece of Evidence 2	In Class Assessment - (40 minutes, 35 marks) covering topics: Resources and water treatment. Organic chemistry. Rates of reaction and data analysis.	25%
Piece of Evidence 3	In Class Assessment - (40 minutes, 35 marks) covering topics: Lifecycle assessments, Atmosphere and pollution. Analysis, chromatography. Equilibria.	25%

GCSE Chemistry double award foundation Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (60 minutes, 50 marks) covering topics: Structure bonding and properties. Metal reactivity and displacement, required practical temperature change. Electrolysis, conduction of electricity. Development of the atom and atomic structure and ion formation. Development of the periodic table and trend in groups. Acids and bases. Conservation of mass.	60%
Piece of Evidence 2	In Class Assessment - (40 minutes, 35 marks) covering topics: Crude oil. Atmosphere global warming and climate change. Investigative skills, variables errors, mean and range, using graphs. Rates of reactions, factors affecting rate.	40%

GCSE Chemistry double award higher Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (60 minutes, 50 marks) covering topics: Structure bonding and properties. Metal reactivity and displacement, required practical temperature, investigative skills. Calculating Mr, conservation of mass and concentration. Electrolysis, conduction of electricity. Atoms and ion formation, trends in groups and reactions of group 1 and 6. Acids and bases.	60%
Piece of Evidence 2	In Class Assessment - (40 minutes, 35 marks) covering topics: Crude oil, fractional distillation and alkanes and trends in properties. Combustion, global warming and climate change. Chemical tests. Equilibrium and the effect of changing conditions.	40%

GCSE Physics triple award Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (75 minutes, 70 marks) covering topics from paper 1: Electricity, particle model of matter, radiation, pressure, atomic structure, energy.	50%
Piece of Evidence 2	In Class Assessment - (45 minutes, 38 marks) covering topics from paper 2: Optics, magnetism, forces/motion, waves	25%
Piece of Evidence 3	In Class Assessment - (45 minutes, 38 marks) covering topics from paper 2: Momentum, forces/motion, astronomy	25%

GCSE Physics double award foundation Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (60 minutes, 55 marks) covering topics from paper 1: Electricity, atomic structure (especially radiation), energy resources, energy, mains electricity.	60%
Piece of Evidence 2	In Class Assessment - (45 minutes, 38 marks) covering topics from paper 2: Magnetism, waves and forces/motion.	40%

GCSE Physics double award higher Evidence

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test – (60 minutes, 51 marks) covering topics from paper 1: Electricity and mains electricity, atomic structure (especially radioactivity), energy resources	60%
Piece of Evidence 2	In Class Assessments - (46 minutes, 43 marks) covering topics from paper 2: Magnetism and forces/motion topics.	40%

GCSE Food preparation and nutrition

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (1 hour) Multiple choice and written answer questions on: 3.1 Food preparation skills 3.2 Food, nutrition and health 3.4 Food safety	35%
Piece of Evidence 2	In Class Assessment - (30 minutes) Written question on nutrition in class (using exam board materials) 3.2 Food, nutrition and health	15%
Piece of Evidence 3	Other Assessment - NEA on unit 2 coursework. The students have been completing this piece of assessment since September 2020 and this has been submitted for marking in March 2021	50%

Technology (including Textiles)

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (one hour) Multiple choice and written questions on: Core Technical principles Specialist Technical Principles (focusing on their subject specialism)	35%
Piece of Evidence 2	In Class Assessment - (30 minutes) Extended response questions on specific areas of the course covered in KS4: Design theory Product Analysis – multi material products	15%
Piece of Evidence 3	Other Assessment - NEA Students have been completing their personal NEA folders since June 2020 to March 2021. They have chosen a specific context to work to and produced a folder in line with the assessment criteria.	50%

Business Studies

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Subject Test - (60 minutes) covering Unit 1 – Business in the real world, including longer written answer (9 marks)	40%
Piece of Evidence 2	In Class Assessment - Assessment on Marketing (Unit 5) covering shorter answers of between 1 to 4 marks. Expected to be out of 25 marks and take 30 minutes.	25%
Piece of Evidence 3	In Class Assessment - Assessment on Human Resources (Unit 4) covering short and longer answers (6 mark). Expected to be out of 35 marks and take 45 minutes.	35%

- **NON GCSE QUALIFICATIONS**

We are still awaiting the final guidance on Applied subjects. The below information gives an indication of the evidence likely to be used. This section will be updated as we get more information. Class teachers will liaise with students about assessments to be used. Please contact the class teacher for further information.

BTEC Level 2 Tech Award Health and Social Care – awarding grades summer 2021

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Centre Assessed grade awarded August 2020 based of work completed for unit 5 Jan – June 2020	30%
Piece of Evidence 2	Coursework assignment completed from 22 nd March – 5 th May 2021 10 hours of classroom time.	30%
Piece of Evidence 3	Component 3 grade from mark from internal assessment to be taken May 2021 - 1 hour test focusing on Learning Aim A and Learning Aim B	40%

Hospitality and Catering

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	<i>Unit 1 exam banked (June 2020) and opportunity to resit (Jan 2021)</i>	40%
Piece of Evidence 2	NEA has been submitted March 2021, students have already had their allocated time allowance on this	60%

iMedia

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	RO82 – Digital graphics - Research and Design LO1: Understand the purpose and properties of digital graphics LO2: Be able to plan the creation of a digital graphic Completed in lessons	40%
Piece of Evidence 2	RO82 - Digital Graphics – Production and Review LO3- Be able to create and save a digital graphic LO4 - Be able to review the digital graphic Completed in lessons	40%
Piece of Evidence 3	RO89 –Creating a Digital Video Sequence - Design and Pre-production LO2 – Be able to plan a digital video sequence. Completed in lessons	20%

Year 10 Hospitality and Catering – counts towards final year 11 grade.

For this subject	Will be...	With the following weighting:
Piece of Evidence 1	Exam board assessment set by WJEC - normal exam under exam conditions	40%
