

Area and Volume:

Objective	Sparx Task	
Converting metric units	M774	
Find area and perimeter of compound shapes made from rectangles	M690	
Area of triangles	M610	
Area of parallelograms	M291	
Area of trapeziums	M705	
Find missing length when given the area		
D shapes		
Area and perimeter review	See tasks above	
Area and perimeter problem solving		
Nets of cubes and cuboids	M518	
Surface area of a cube	M534	
Surface area of a cuboid	M534	
Volume of a cube	M765	
Volume of a cuboid	M765
