Dear Student & Parent/Carer

Please find enclosed your results from the Summer 2025 External Examination Series.

Firstly, congratulations! However, if the results aren't as good as you were expecting, please speak with Mrs Willis, Mr Faulkner, Mrs Robinson-Junni or your subject teacher about what you should do now.

The table below gives details of the post-results services available to candidates. Please note that it is the responsibility of the student to arrange for reviews of marking, other results enquiries and the return of examination scripts via the Exams Office. You should also note that enquiries about results can result in marks/grades going down as well as up. You cannot, as an individual, appeal the mark or grade of a coursework component.

Please Note: Prices are per exam paper and not per subject. Deadlines are non-negotiable.
