Dear Student & Parent/Carer

Please find enclosed your results from the Summer 2026 External Examination Series.

Firstly, congratulations! However, if the results aren't as good as you were expecting, please speak with Mr Johnson, Mr Faulkner, Mrs Robinson-Junni or your subject teacher about what you should do now. Mrs Quinlan is also in school today to provide guidance on careers and college.

Post Results Services

If after receiving your results, you find that you have concerns with the grade issued by the awarding bodies, you should contact the Exams Office to discuss accessing your scripts or requesting a review of marking.

On Results Day, a number of subject staff and school leaders will be available in school to discuss results and while available, candidates should contact them to discuss any concerns. After Results Day, Prince Henry's staff are not normally contactable as a matter of course, although there may be skeleton staff available in school or by email to give advice in priority cases.

The Exams Office will send a copy of your script(s) by email for you to review, with your parents, or anyone suitable that you know. This will only be done with your authorisation.

If you believe that there are errors in the marking, contact the Exams Office who will explain the costs and procedures for requesting a review of marking. Please be aware that reviews will cost the fee detailed below per script which is only refundable if the grade changes. Reviews can change the grade both up or down and will stand over the original grade.
