Dear Student & Parent/Carer

Please find enclosed your results from the Summer 2019 External Examination Series. The information may include results in individual modules, shown as marks and grades (small case letters) and full course marks and grades which are shown as capitals letters.

Firstly, congratulations! However, if the results aren't as good as you were expecting, please speak with Mrs Willis, Mrs Robinson-Junni or your subject teacher about what you should do now.

The table below gives details of the post-results services available to candidates. Please note that it is the responsibility of the student to arrange for re-marks, other results enquiries and the return of examination scripts. You cannot, as an individual, appeal the mark or grade of a coursework component. You should also note that enquiries about results can result in marks/grades going down as well as up.

Please Note: Prices are per exam paper and not per subject. Deadlines are non-negotiable.
