WELCOME TO PRINCE HENRY'S

Dear Visitor

On behalf of the staff and students of Prince Henry's Grammar School, I would like to welcome you to our 2021 Open Evening for Year 6 pupils and parents/carers. I hope you will find the evening both enjoyable and informative.

COVID-19 restrictions mean that, this year, we need to operate a different format to our usual programme. This includes limiting the number of people attending the evening and fewer 'hands on' activities than we would usually provide. Nevertheless, we are looking forward to giving you an insight into what it means to be a Prince Henry's student, and providing an opportunity to experience something of the scope and breadth of the educational experience that we provide for our young people.

Our staff and students will be delighted to answer your questions. We recommend that you follow the three routes, which are clearly marked, and that you also visit our Sports Centre. This will ensure that you visit all subject areas. Please ask a member of staff or one of our student guides to point you in the right direction.

In order to avoid over-crowding, we respectfully ask that you limit your visit to a maximum of **one hour**.

Finally, I would also encourage you to visit our website to watch a short video introduction to our school, and to hear from some of our new Year 7 students about their first few weeks at Prince Henry's. Visit www.princehenrys.co.uk / *Our School / Open Evening 2021*.

I look forward to meeting you this evening.

Janet Sheriff OBE
Executive Headteacher
