

13<sup>th</sup> July 2021

Dear Parents/ Carer,

### Summer 2021 Results

As previously identified we now write to inform you of the final steps relating to summer 2021 outcomes for students in year 13 and year 11.

Firstly, we can confirm that students are invited to come to school to collect their results on the date and time shown below:

Year 13 - 10th August from **8:30am** (to coincide with the release of UCAS information)  
Year 11 - 12th August from **10am**.

Students are encouraged to come and collect their results in person as this enables us to offer any support where needed. If students are unable to collect results in person they should email [exams@princehenrys.co.uk](mailto:exams@princehenrys.co.uk) by **Friday 23<sup>rd</sup> July** from the **student's school email address** stating that they would like to receive them electronically. These will then be emailed to the student's school email address on results day at the earliest opportunity after the in-school results release time.

When collecting results students should gather in the outside area at the end of the Science corridor (near the entrance to AR1). When ready students will enter the Science corridor from the Fire door at the far end, moving along the corridor to collect results and if necessary access support. They will then exit via the main entrance. Parents/ carers attending are asked to wait outside the Main Entrance for when students depart.

We very much hope that students are pleased with the results they achieve, however there are steps that can be considered if they are not. These are outlined in the Results Day 2021 document you have received with this letter. This information is also available on the school website in the Outcomes Information 2021 area found [here](#). Students and parents should ensure that they read the attached information carefully.

We look forward to seeing students on the results days and helping support them secure the next steps in their journey.

Wishing you all the very best,

Yours faithfully,

Stephen Clarkson  
Assistant Headteacher
