

# Prince Henry's Grammar School

SPECIALIST LANGUAGE COLLEGE

## PHGS Vision

To become internationally recognised as a highly successful learning community that provides outstanding education for young people of all abilities. Students will leave Prince Henry's as lifelong independent learners who have the creativity, adaptability, confidence and leadership skills to contribute to, and succeed in, our 21<sup>st</sup> century society.

## Key Stage 3 Vision

In Key Stage 3 we aim to support the school's vision and prepare students for Key Stage 4 by ensuring that we give students a wide variety of experiences, through an engaging and enjoyable range of activities completed within lessons, registration, around school and in the local community. As part of this vision each year group has a particular focus:

## Year 8 - Opportunity

The aim of this year is to encourage students to make progress, have ambition and be role models to the younger students. Students will also be encouraged to make the most of opportunities available outside of the classroom through their position as school ambassadors and through the increased availability of extra-curricular trips and activities.
