

PRINCE HENRY'S GRAMMAR SCHOOL

CALCULATOR ORDER FORM

All students are required to have a calculator at PHGS for use in many lessons. The maths department is able to offer the Casio fx-83GT-CW at the **value price of £12**. Whilst mental arithmetic is used widely, it is very beneficial for students to learn **how** to use a scientific calculator correctly and it is very helpful if all students have a similar type.

Please complete the slip at the bottom of this page and either send it in to the school office **FAO Finance** by Friday 7th July 2023 in a **named envelope**.

Payment must be sent with the order form, **cheque preferred**, to be made out to PHGS.

Your child will receive their calculator during the first week in September.

Thank you
Maths Department

STATIONERY EQUIPMENT ORDER

We run a small non profit making shop in school selling basic stationery equipment to students. This ensures that everyone is equipped for all lessons.

We have put together a ready-made stationery kit (2x black pens, HB pencil, green pen, 30cm ruler, eraser, sharpener, protractor, compasses, glue stick, coloured pencils and a clip for their planner, all in an A4 plastic envelope style wallet) for just **£5**.

If you would like your child to have one, fill in the form below and either send it in to the school office **FAO Finance** by **Friday 7th July 2023** in a **named envelope**. Payment must be sent with the order form, **cheque preferred**, to be made out to PHGS. Your child will receive their stationery pack during the first week in September.

(If you are also ordering a calculator you can write one cheque for both).

Thank you
Maths Department

.....✂.....

Please send it in to the school office by Friday 7th July 2023 (**cheques made payable to PHGS**), in a **named envelope**.
