

# Henry's Diner

## So what's different?

- **Food**  
Everything we do starts with obtaining best quality ingredients to produce super food that appeals to our customers. The vast majority is sourced from suppliers local to Otley.
- **People**  
We aim to support, train and reward our staff well because we believe that a happy and confident team delivers the best service to our customers.
- **Communication**  
Keeping in regular contact with you and the students is an essential part of building a successful service. We shall be advising you of latest initiatives, inviting your comments, and getting the students actively involved in the development of their lunch offer.

## Is it healthy?

- By producing more fresh homemade dishes, we use less processed foods.
- Wherever possible, we bake rather than fry to avoid the introduction of unnecessary added fats.
- From a daily selection of tempting salads and fresh vegetables, students are encouraged to choose at least one with each main course.
- Fresh fruit is available every day as a pudding option. We offer single fruit items as well as sliced pineapple, melon and grapes, all freshly prepared each day.

## Opening Hours

- Breakfast 8.00am to 8.30am
- Morning break 10.50am to 11.10am
- Lunch 12.10pm to 12.50pm / 1.10pm to 1.50pm

## Who can I contact?

- We really do want to hear what you have to say.
- If you have any comments or questions, please get in touch with our Catering Manager, Andrew Rice.
- You should also advise us if your child has any special dietary requirements.

## Sustainability

- We provide reusable tableware and cutlery, and avoid single use packaging, wherever possible.
- Students are asked to support recycling by using the correct bins in Henry's Diner.
- Our weekly menu features 'Meat Free Mondays' to encourage students to consider the amount of meat they consume (applies to main meals and paninis).
- All food waste from the kitchen and Henry's Diner are recycled to produce biogas.

## Allergen information

- All pre-packaged foods prepared on site are clearly labelled, with all ingredients and food allergens listed in accordance with 'Natasha's Law'.

## What's for breakfast?

- We offer a choice of freshly baked bread rolls, toast, toasted fruitcakes, bacon sandwiches, healthy cereals with fresh semi skimmed milk

## What's to drink?

- Fruit juice or lower fat milk.
- A range of other school compliant soft drinks.
- We no longer sell plain bottled water, in order to reduce plastic waste. Students should bring a filled reusable water bottle, and make use of the nine free water dispensers across school.

## What's for Lunch?

- Freshly made soup (which is always vegan, gluten free and dairy free).
- A choice from three hot main meals (including a 'pot meal' and a vegetarian option) with accompaniment.
- A hot pudding and cold dessert items.
- A menu offer that is tailored to suit the tastes and requirements of the students.
- Menus are displayed on the school website and on the digital screens around school.

## Sandwiches

- Our sandwich meats are bought locally and all fillings are prepared in our kitchen.
- Crusty bread rolls and baguettes are baked on site. We also have a daily delivery of fresh bread cakes from Haighs bakers in Guiseley.
- We offer over 15 sandwich fillings and four types of bread on a daily basis.

## How much does it cost?

- The most cost effective lunch option is a 'meal deal'. All prices are currently under review.

## How do I pay?

- We operate a cashless card system; your child will receive a card to pay for their meals. When a card is swiped through the till their image appears, identifying the child to prevent wrongful use.
- All cards are identical whether they are for students, teachers or free meals users.
- The daily spend is set equally for all students so that your child does not spend all their money on one day.
- Your child will be shown how to use and top up the cards at the validation machine in school.
- Cash, cheques and online payments are acceptable methods of payment. Please remember to put the student's name on the back of cheques.
- With online payments you are able to see what was bought, when and the balance.
