

Wednesday 20th September 2023

GCSE INFORMATION EVENING

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

Welcome to our annual Year 10 GCSE Information Evening.
Tonight's presentation will be uploaded to the Key Stage 4 section of the School website. It includes:

- An overview of the GCSEs
- Assessment and reporting guide
- Helpful tips for parents
- Subject specialist advice for:
 - Maths
 - English
 - Science
 - Modern Foreign Languages
- Useful websites

WELCOME

Our vision for all students

Prince Henry's will become internationally recognised as an exceptional school with a culture of respect, where we can all flourish and achieve

Respect ♦ Flourish ♦ Achieve

GCSE OVERVIEW

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

New timetable

Start of 2 year courses.

More flexibility to study subjects you are interested in.

More time devoted to those subjects.

End with exams completed in summer of 2025.

Changes came in from 2016 (to content, to exams, to grades, all of the supportive measures following covid have now been removed).

Grades awarded

What is a GCSE worth?

GCSEs can be full qualifications (one GCSE) or double qualifications (equal to two qualifications, for example Trilogy Science).

Grades and pass marks

Grades awarded for GCSEs range from 9 to 1, with the highest grade being 9.

In the past a 'C' grade was usually seen as the reference point for a 'pass' grade. Now the government looks at Grade 4 (standard pass) or Grade 5 (strong pass).

Grade 9 represents exceptional performance (roughly speaking top 2%)

New grading structure	Current grading structure
9	A*
8	
7	
6	B
5	
4	
3	C
2	
1	
U	U

GOOD PASS (DfE)
5 and above = top of C and above

AWARDING
4 and above = bottom of C and above

Other points

- All subjects are now linear (meaning their exams take place at the end of year 11).
- Some subjects (BTECs) are awarded different grades (Distinction, Merit, Pass).
- Some subjects have an element of NEA – Non-Examined Assessment (similar to coursework BUT different due to restrictions on assistance allowed). Often completed in year 11 under exam conditions (details will follow later in KS4).
- Currently any student not achieving a **4 or above** in English and/ or Maths is required to attend lessons and re-sit these exams during post 16 study or apprenticeships.

ASSESSING AND REPORTING STUDENT PROGRESS

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

New grading structure	Current grading structure
9	A*
8	
7	
6	B
5	
4	
3	C
2	
1	
U	U

GOOD PASS (DfE)

5 and above = top of C and above

AWARDING

4 and above = bottom of C and above

In Ks4 all students are given a single personalised target grade unlike the banding used at Ks3.

Course	MEA	Predicted grade	Attitude to Learning
Biology: KS4 Biology	8	8	1
Chemistry: KS4 Chemistry	8	8	2
English: KS4 English Language	8	8	1
English: KS4 English Literature	7	8	1
Food Technology: KS4 Tech - Food	7	8	1
History: KS4 History	7		1
Mathematics: KS4 Maths	8		2
Music: KS4 Music	8		1
P.E.: KS4 PE (core)			3
Physics: KS4 Physics	8		2
PREP: KS4 PREP (core)			1
Spanish: KS4 Spanish	6	6	2

Attitude is a judgement about whether or not your child shows the right attitude to their learning in order to achieve their MEA (1-5 scale as in KS3).

Minimum Estimated Attainment: Represents the minimum level that we would expect your child to reach by the end of Year 11.

Predicted Grade is a prediction of the grade that he/ she is likely to achieve in June of year 11
P1 – Nov
P2 - Feb
P3 + Form tutor report – June (exams in May)

OP,GP,XP,BP represent measures of progress in non-examined **Core PE and PREP lessons**: Outstanding Progress, Good Progress, Expected Progress, Below Expected Progress.

PHGS Study Support

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

How does your child learn?

- We teach using methods from the latest research in education and cognitive science.
- This includes regular retrieval of prior knowledge through **low stakes quizzing**, and a focus on managing processing load.
- Assessments are carefully linked to important knowledge and skills

What will your child be learning?

- Details can be found on our curriculum pages
- Each summary table contains links to more detailed information
- Students also have this information on Teams

TOP TIPS FOR PARENTS

SUPPORTING STUDENTS WITH EXAMS

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

“Parental involvement is **EIGHT TIMES** more important in determining a child’s academic success than social class. It can be the difference between a Grade 9 and an ‘also ran’ at GCSE.”

(Campaign for Learning)

So what can parents/carers do?

- Attendance – Students with an attendance of 90-94% only have a 60% chance of five 9-5 grades compared to 75% of students with an attendance of 95%+.
- Providing a quiet place to study and the resources they require.
- ‘Study Buddy’ – Showing an interest in Home Learning, ‘testing’ them on revision etc.
- Project Manager – helping them devise a ‘realistic’ revision timetable and making sure they stick to it.
- Liaising with school when necessary.

Revision Timetable

Time	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
07:00							
08:00							
09:00							
10:00							
11:00							
12:00							
13:00							
14:00							
15:00							
16:00							
17:00							
18:00							
19:00							
20:00							
21:00							
22:00							
23:00							

**Break revision down into small chunks.
30 minutes FOCUSED revision.
Build in some 'down time'.**

MANAGING EXAM STRESS

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

Why is exam stress a problem?

Cognitive Symptoms

Memory problems
Poor Concentration
Poor Judgement
Negative thoughts
Anxiety
Worry
Nervousness

Emotional Symptoms

Moodiness
Irritable/Temper
Agitation
Feeling overwhelmed
Loneliness
Isolation
Unhappiness

Physical Symptoms

Muscle Tension
Aches
Stomach problems
Nausea
Dizziness
Chest pain
Racing heart
Colds and allergies

Behavioural Symptoms

Appetite changes
Sleep changes
Social withdrawal
Procrastination
Avoiding responsibility
Nervous habits

Suggestions for managing exam stress.

- **Reading Exercises based on material from the book**
- **Writing Tasks based on work in class**
- **Learning Speaking Answers**

SCIENCE GCSE

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

GCSEs in Science

GCSE Biology, Chemistry and Physics
OR
GCSE Combined Science-Double Award

Three Separate Sciences

GCSE Biology 2 Exams	GCSE Chemistry 2 Exams	GCSE Physics 2 Exams
B1- 1 hour 45mins	C1 - 1 hour 45mins	P1- 1 hour 45mins
Examines topics 1-4 50% of total mark	Examines topics 1-5 50% of total mark	Examines topics 1-4 50% of total mark
B2- 1 hour 45mins Examines topics 5-7	C2- 1 hour 45mins Examines topics 6-10	P2- 1 hour 45mins Examines topics 5-8
50% of total mark	50% of total mark	50% of total mark
No Controlled Assessment	No Controlled Assessment	No Controlled Assessment

In total: 10 hours 30 minutes of exams
(up from 9 hours previously)

Combined Science-Trilogy

Biology	Chemistry	Physics
B1- 1 hour 15mins	B1- 1 hour 15mins	B1- 1 hour 15mins
Examines topics 1-4 16.7% of total mark	Examines topics 1-5 16.7% of total mark	Examines topics 1-4 16.7% of total mark
B1- 1 hour 15mins	B1- 1 hour 15mins	B1- 1 hour 15mins
Examines topics 5-7 16.7% of total mark	Examines topics 6-10 16.7% of total mark	Examines topics 5-7 16.7% of total mark
No Controlled Assessment	No Controlled Assessment	No Controlled Assessment

In total: 7 hours 30minutes of exams.
(up from 6 hours previously)

Similarities

- Everyone will study Biology, Chemistry and Physics.
- The vast majority of the syllabus is exactly the same.
- Both give results as grades 1-9.

(Biology, Chemistry and Physics will each have a separate 1-9 grade whilst Combined Science will have a double grade 8-8,8-7,7-7 e.t.c).

- Teaching time per fortnight will be the same.
No controlled assessments i.e. 100% exam.

Differences

- Triple Science gives you 3 GCSEs;
Combined Science gives you 2 GCSEs.
- Triple Science-6 x 1hour 45 minute exams (**3 hours more**); Combined Science 6 x 1hour 15 minute exams.
- Triple Science has extra content equivalent to another GCSE for the students to cover in order to complete the whole program of study for each subject.

Science groups 2023-24

All students in year 10 are currently being taught the combined science content at either higher or foundation level.

Students have been allocated to a band that is deemed the most appropriate based on what we know about the demands of the course and the evidence we have available at this time.

Classes 1P and 1H are equal sized and ability groups **aspiring** to Triple GCSE route. We will be identifying the students for who Triple GCSE is most appropriate as they move into year 11. Students not selected for Triple will sit higher trilogy aiming for two GCSE Science grades at 77 or higher.

• **Classes 2P and 2H** are equal sized and ability groups targeting Trilogy GCSE and aiming for Higher level grades. However, when they move into year 11 we will review the groups further and some students *may* move to Triple Science, others *may* move to Foundation Level Trilogy.

• **Classes 3P and 3H** will be equal sized class of students targeting Foundation Level Trilogy aiming for GCSE grades 55.

We will review this regularly throughout the year and where evidence indicates a move to a different group is necessary to secure the best outcomes we will make that change. Our sole focus, using the wealth of experience in our team, is ensuring that students get the highest grade possible in the Science pathway that is most appropriate to them.

How Can You Help

Taking an interest in their home learning and classwork. Lots of work is now on the class notebook so please do ask to have a look at what they have been doing.

- Increased independence, lots of resources on the internet;
<https://app.senecalearning.com/classroom/course/4c2bb850-1d46-11e8-840a-ed991cd3461d/section/c946e430-1d47-11e8-840a-ed991cd3461d/session>

The screenshot displays the Seneca Learning app interface. On the left is a blue sidebar menu with the Seneca logo and navigation icons. The menu lists 'Combined Science Chemistry: AQA GCSE Foundation' and a list of topics under '2 Chemical Bonding', with '2.1.3 Covalent Bonds' selected. The main content area on the right is titled 'Covalent Bonding' and features a 'New' badge. It contains text explaining that covalent bonds are formed by sharing electron pairs between non-metal atoms. Below the text is a diagram of a water molecule (H₂O), showing a central red circle for Oxygen (O) bonded to two white circles for Hydrogen (H). A 'Small molecules' box lists 'E.g. water.' as an example. A blue arrow icon is visible on the right side of the diagram area.

Physics and maths tutor website has lots of past papers, topics and mark schemes to use in revision. Probably the most helpful revision a students can do.

<https://www.physicsandmathstutor.com/past-papers/#>

The screenshot shows the 'Past Papers' page of the Physics & Maths Tutor website. The header is teal with a book icon and the site name. A navigation bar contains links to Home, Revision Courses, Past Papers, GCSE / IGCSE, A-Level, Uni Admissions, Parents, Teachers' Area, and Contact. The main content area has a breadcrumb trail 'Home > Past Papers' and a large 'Past Papers' heading. Below this, a text line states: 'Below you will find AQA, CIE, Edexcel, OCR and WJEC past papers and mark schemes for the following subjects:'. A section titled 'GCSEs & IGCSEs' follows, containing a 3x3 grid of subject buttons: Biology, English Language, Maths, Chemistry, English Literature, Physics, Economics, Geography, and Science.

ENGLISH GCSE

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

English in Years 10 and 11

**Two GCSEs:
GCSE English Language
+
GCSE English Literature**

AQA GCSE ENGLISH LANGUAGE

There are no tiers in the English exams – all students sit the same papers

Two papers – each worth 50%

Paper 1

“Explorations in Creative Reading and Writing”

Section A

Four questions on an unseen extract from a 21st/20th century literary novel

Section B

One creative writing task – describe/narrate

1 hour 45 minutes

Paper 2

“Writers’ Viewpoints and Perspectives”

Section A

Four questions on two **non-fiction** extracts - one modern (eg newspaper article), one 19th century

Section B

One writing task – explain/argue a point of view

1 hour 45 minutes

AQA GCSE ENGLISH LITERATURE

Two papers – 50% each

There are no tiers in the English exams – all students sit the same papers

Paper 1

“Shakespeare and the 19th Century Novel”

Section A

One question on the Shakespeare text studied in class

Section B

One question on the 19th Century Novel studied in class

1 hour 45 minutes

Paper 2

“Modern Texts and Poetry”

Section A

One question on the Modern Text studied in class

Section B

One question on poems studied in class

Section C

Two questions on two unseen poems

2 hours 15 minutes

Which Literature texts will my child be studying?

Paper 1 (one from each column)

Paper 2 (one text only)

Shakespeare	19 th Century Novel
Macbeth	Dr Jekyll and Mr Hyde
Romeo and Juliet	A Christmas Carol
	Great Expectations
	Frankenstein

Modern Drama OR	Modern Prose
An Inspector Calls	Lord of the Flies
Blood Brothers	Never Let Me Go
A Taste of Honey	Animal Farm

Your child's English teacher will tell your child which 3 texts they will be studying

The English Curriculum

We teach GCSE English Language and GCSE English Literature as an integrated course across two years, as you will see from the Curriculum Map on the next slide.

In addition to the formal exams in the summer of Year 11, students also do a compulsory **Spoken English** assessment in Year 10. The assessment is prepared and performed in class. Students are awarded either Distinction, Merit or Pass.

KEY STAGE 4 ENGLISH CURRICULUM PLAN

YEAR 10	HT1: GCSE Lit Paper 2 A Modern Text		HT3: GCSE Lit Paper 1 B 19th Century Novel		HT5: Lang Paper 2 A & B Reading & Writing
	<i>Yr10 Baseline (W):</i>				<i>Yr10 Exam:</i>

	HT2: Lang Paper 2 A & B Reading & Writing		<i>Spoken English</i>		HT6: GCSE Lit Paper 2 B & C Poetry & Unseen Poetry
YEAR 11	HT1: GCSE Lit Paper 1 A Shakespeare		HT3: Revision		HT5: Revision <i>Final Exams begin</i>
	HT2: GCSE Lang & Lit Paper 1		HT4: Revision		HT6: <i>Final Exams</i>
	<i>Yr11 Mock Exams 1:</i>		<i>Yr11 Mock Exams 2:</i>		
	<i>Lang and Lit Paper 1</i>		<i>Lang and Lit Paper 2</i>		

HOW PARENTS CAN HELP

- Take an interest in the Literature texts your child will be studying. Perhaps read them as well.
 - Encourage your child to watch a performance of the text they are studying.
 - If you can encourage your child to read widely – fiction or non-fiction – it will help to improve their performance.
 - *Any* independent reading your child does will help to improve their performance. If they have a particular interest, encourage them to read non-fiction texts about it – articles, relevant websites, etc.
- Share material from the internet which you think they would find interesting, then have a discussion about it.
 - Notice and comment on your child's accuracy occasionally in their school work or everyday life. Insist on correct spelling and punctuation in, say, text messages!
 - Consider buying Revision Guides for the Literature texts. We sell the ones we recommend at school at £2.75 each. First step is for your child to ask their English teacher for a "Revision Guides letter".

MATHS GCSE

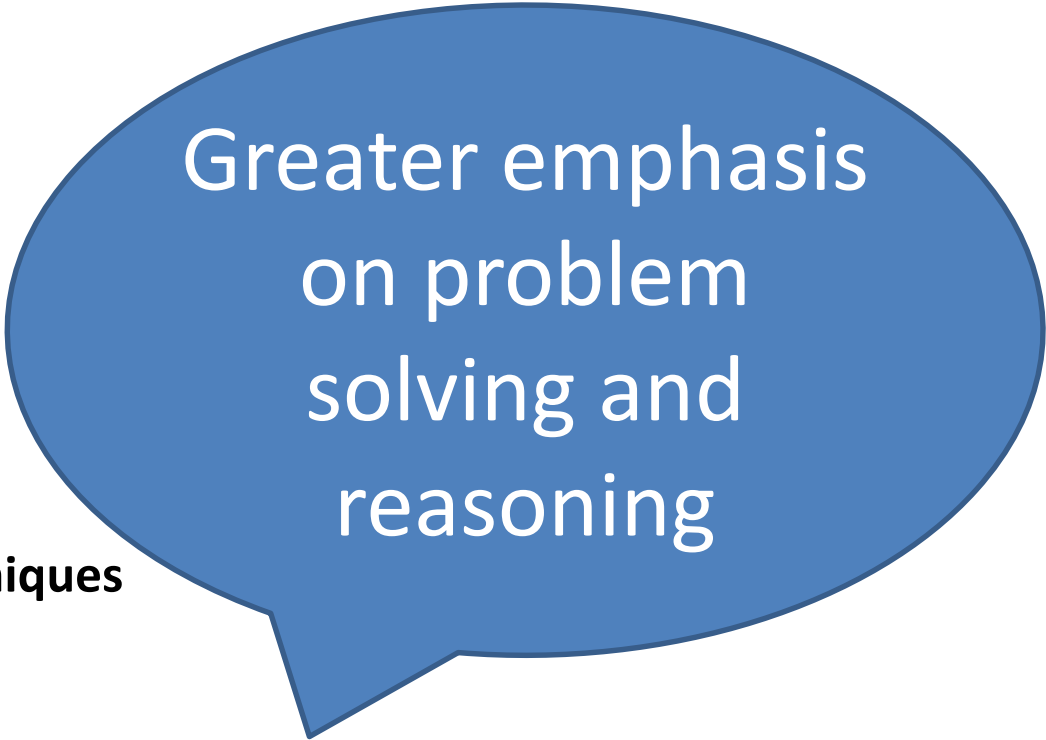

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

Background: Maths GCSE – first awarded August 2017

- The GCSE exam board that we will use is AQA.
- There are 3 exams, 1 non calculator and 2 calculator.
- Each exam will be 1hr 30mins and have 80 marks.
- There is no coursework.
- 2 tiers of exams Foundation Tier (1-5) and Higher tier (4-9)

Assessment objectives from new GCSE

Greater emphasis
on problem
solving and
reasoning

AO1 Use and apply standard techniques

40% Higher, 50% Foundation

AO2 Reason, interpret and communicate mathematically

30% H, 25% F

AO3 Problem solving

30% H, 25% F

What we are doing to support your child ...

- School subscription to Sparx Maths allows personalised work to be set that gives instant feedback to students.
- Students can access online support videos on Sparx -these are linked to the PHGS maths curriculum.
- Recall starters
- More open ended questions to encourage linking different topics together
- Exit Tickets so that teachers can adapt their lessons to the different needs of the class
- Form time maths on Sparx
- Revision books available to purchase through school

Optional Homework in Sparx Maths

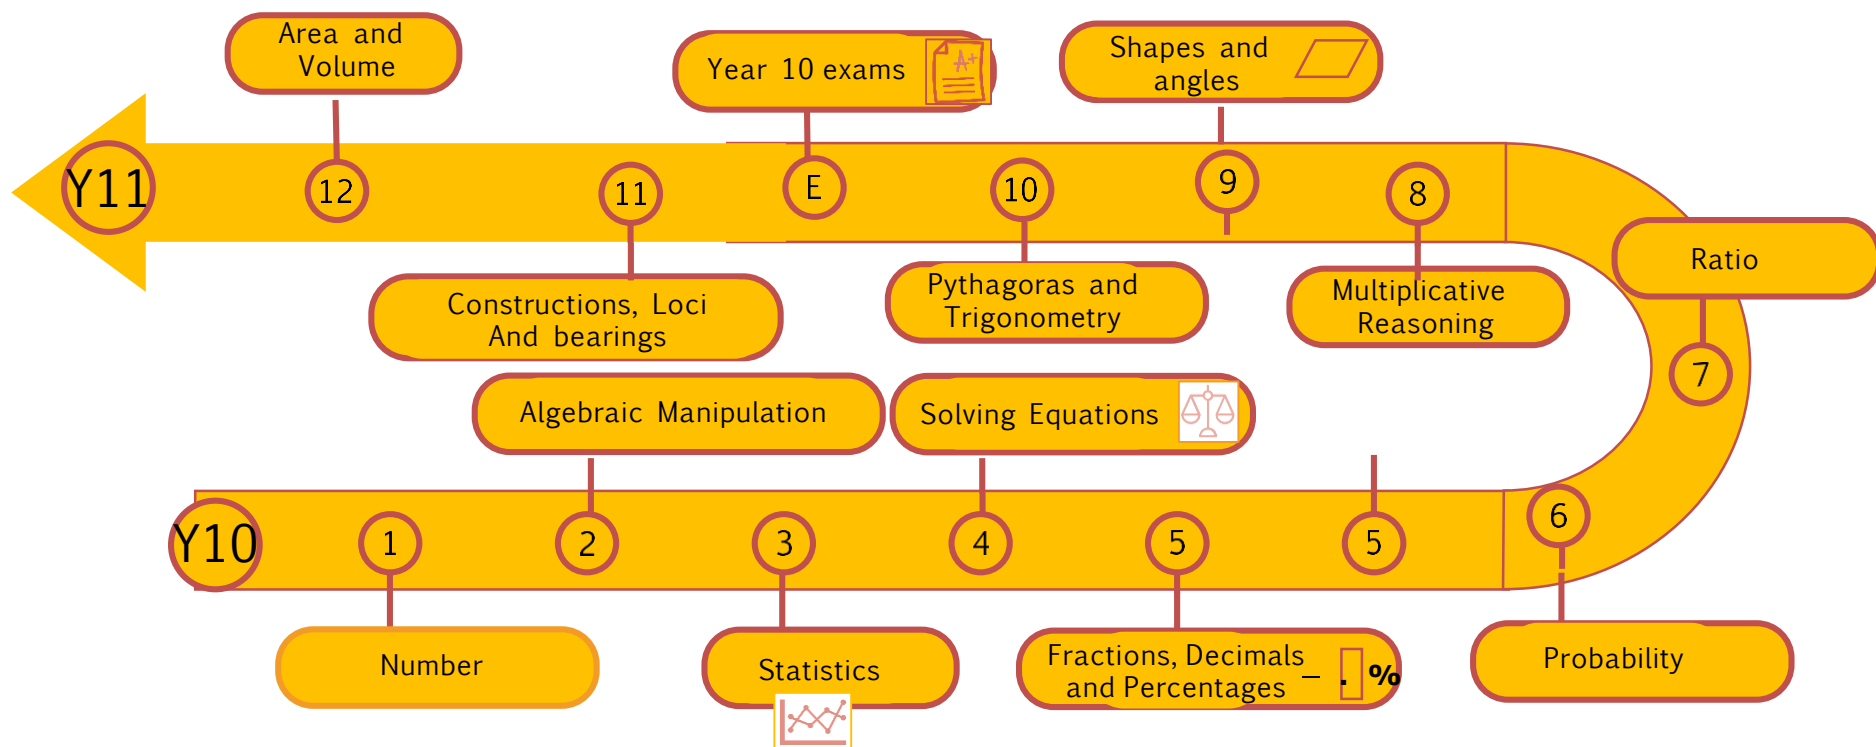

- Sparx produces three personalised tasks for you every single week that you have homework to complete
- After you finish your Compulsory homework, refine your skills by completing similar problems in **XP Boost**
- Further enhance your skills by completing the **Target** work which is a set of six questions chosen specifically to challenge you

Independent learning – take control of your own learning

- Access every single question on Sparx
- Choose one of three levels of question
 -  Introduce: basic skills
 -  Strengthen: improve understanding
 -  Deepen: problem solving
- Do this after Compulsory homework, XP Boost and Target

PHGS Maths - Learning Journey – Year 10 Foundation

Objectives

Autumn Term

Spring Term

Summer Term

REVISION Unit 1 Basic Number:

Objective	Sparx Task	
Add and subtract positive and negative numbers (understand bank statements)	U947 U742	
Multiply and divide positive and negative numbers	U548	
Use the hierarchy of operations	U976	
Perform all 4 operations with decimals	U478 U293	
Round numbers to decimal places and significant figures	U298 U480 U965 U731	
Estimate answers to calculations by rounding	U225	
Use the laws of indices to multiply and divide numbers in index form	U235	
Write a number as a product of primes and use in context	U739	
*Check answers by using inverse operations		
*Use one calculation to find an answer to another		
*Perform the 4 operations with numbers in index form		
*Use brackets and hierarchy of operations with indices	U976	
*Use calculators for operations with indices		
*Find LCM and HCF by listing or using Venn diagrams	U250	
*Solve problems using LCM, HCF and prime numbers		

*Additional objectives
