

20<sup>th</sup> November 2023

Dear Parents/Carers

### **YEAR 12 - PROGRESS EVENING – Online Event**

We are pleased to invite you to attend a Year 12 Progress Evening to be held on **Wednesday 13<sup>th</sup> December 2023** starting at 4.30pm and ending at 7.30pm. Subject staff will be available for consultation and the event represents a valuable opportunity to discuss the progress made by your child over the first part of Year 12, ask questions about the curriculum and get advice on what you can do to support the learning process.

Your appointment will be for a 5-minute video call (parents are able to disable the video if they wish) with your child's teacher(s) at a pre-arranged appointment time. This requires no further action than logging on to the appointment's website at the time of your appointments. A simple guide to using the system will be sent out in the days before the progress evening.

To book appointments you need to access the online booking system. This is accessible from the Parents and Carers section of the school website [here](#). If you are unable to access this website, please contact Mrs Brown in the Exams Office. To maximise fairness for all parents, bookings will be available from 9.00am on Thursday 23<sup>rd</sup> November and will remain available until midnight on Monday 11<sup>th</sup> December.

A large number of A Level groups are taught by more than one teacher. In most subjects you have the option to book separate appointments with each of your child's subject teachers – when doing this you are encouraged to *try* and book appointments in the same subject sequentially to allow some logical follow-on of the discussion with the different teachers. In some subjects you will book one appointment and all that subject's teachers will attend this at the same time. The 'Choose Teachers' page on the booking system will confirm the staff available to you for booking appointments.

Once you have booked your appointments you will receive an email confirming your appointment times, please keep this safe.

Finally, we would like to remind parents of the need for respectful communication. We all want the best for the young people of Prince Henry's and this partnership is strongest when all adults have respect and consideration for the roles we each play in supporting them.

Yours faithfully

Mr M Stone  
Executive Officer: Exams, Assessment & Curriculum
