Please note the following important points:

- As this trip may be oversubscribed, receipt of a deposit must not be taken as a guarantee of a place. In the event of this happening, names will be "drawn out of a hat". Students will be informed whether or not they have a place immediately after the draw and deposits will be returned where appropriate. **After this point the deposit will generally be non-refundable.**
- For health and safety reasons students who have a record of poor behaviour in school may not be permitted to participate in this trip.
- Should your child take a place on this trip, this will be taken as a **firm commitment**. If a student withdraws from it at a later date (or leaves the school before the trip departs), a refund of monies already paid can only be given if cancellation is covered by the terms of the insurance.
- Your child's place on the trip may be at risk if the payment schedule set out above is not adhered to.
- The full balance must be paid in full by the final date specified in the schedule. **Failure to do so will result in a student being unable to travel.**
- The cost of the trip does not include pocket money **or the cost of a passport (required).**
