

Prince Henry's Grammar School

SPECIALIST LANGUAGE COLLEGE

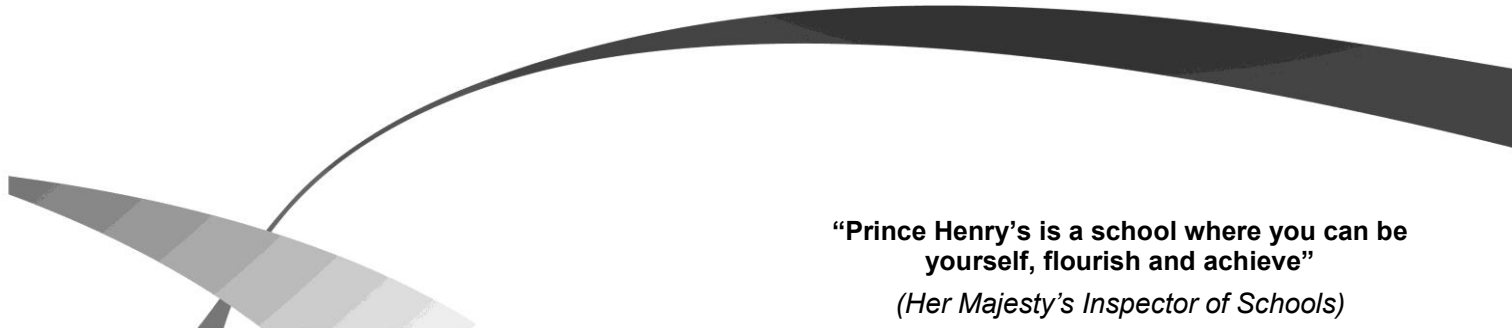

OPEN EVENING

MONDAY 1st OCTOBER 2018

6.00pm to 8.30pm

PROGRAMME

**"Prince Henry's is a school where you can be
yourself, flourish and achieve"**

(Her Majesty's Inspector of Schools)

WELCOME TO PRINCE HENRY'S

Dear Visitor

On behalf of the staff and students of Prince Henry's Grammar School, I would like to welcome you to our 2018 Open Evening. I hope you will find the evening both informative and enjoyable, as we take this opportunity to celebrate the many successes and achievements of our school community.

This evening's programme of activities and displays has been put together to give you a taste of life at Prince Henry's. Our purpose is to give you an insight into what it means to be a Prince Henry's student, and to provide an opportunity to experience something of the scope and breadth of the educational experience that we provide for our young people. Staff and students will be delighted to answer your questions, and we invite you to try for yourself the many activities on offer.

We recommend that you follow the two routes, which are clearly marked, and that you also visit our Sports Centre. This will ensure that you visit all subject areas. You may, of course, "break off" from the planned routes in order to attend some of the scheduled events that are listed on the programme. Please ask a member of staff or one of our student guides to point you in the right direction.

At 6.45pm, and again at 7.30pm, I will give a short introduction to the school, and a group of Year 7 students will share their view of student life at Prince Henry's. This part of the evening will be of particular interest to Year 6 pupils and their parents.

I look forward to meeting you this evening.

Ms J Sheriff
Headteacher

The Headteacher and student representatives will give a short introduction to the school in the Main Hall at **6.45pm** and **7.30pm**.

You are invited to meet the school's Progress Leaders and Senior Leadership Team, who will be available to answer questions throughout the evening in the Main Hall area and at the Welcome Desk.

The two "routes" shown on the centre pages have been planned for you to visit our school at your own pace. If, however, you would prefer a guided tour, please ask at the Welcome Desk where one of our School Prefects will be happy to serve as your guide.

PROGRAMME OF SCHEDULED ACTIVITIES

Time	Subject	Location	Activity
6.00pm	Music	Reception balcony	GCSE and sixth form musicians
	Physical Education	Sports Hall	Netball training (<i>until 7.15pm</i>)

<i>Continue straight ahead towards the Science block, until you reach the very end of the corridor.</i>			
Blue 12	Science	Sc 6 Sc 7 Sc 8	Biology – Dissection. Locust challenge. Food testing. Microscopy. Sugar bombs. Physics – Van de Graaff generator. Fire tornado. Paper boomerangs. Rubens tube. Chemistry – Methane bubbles. Flame tests. Elephant toothpaste. H balloons and reactions.
<i>Go down the stairs and back along the lower Science corridor. If you have not yet followed the Red Route, turn right into the courtyard and right again as you re-enter the building, passing Main Hall.</i>			

SCHOOL PROSPECTUS FOR 2019/2020

If your child is currently a Year 6 pupil at one of the following schools, s/he will automatically receive a copy of the *Prince Henry's Grammar School Prospectus for admission in 2019*:

- Adel Primary
- Adel St John Baptist Primary
- All Saints CE Primary
- Ashfield Primary
- Askwith Primary
- Bramhope Primary
- Menston Primary
- Pool CE Primary
- St Joseph's Catholic Primary
- The Whartons Primary
- Westgate Primary

If your child currently attends another school, please request a copy of the Prospectus at the Welcome Desk.

ADMISSIONS

Darren Shaw, Josie Mitchell and Helen Flesher from Leeds City Council's School Admissions Team will be based on the lower Science corridor (near the Welcome Desk) to answer queries regarding the Admissions process.

PROSPECTIVE SIXTH FORM STUDENTS

In addition to prospective Year 7 students and their parents, we also welcome this evening those students who are interested in joining the highly successful Sixth Form at Prince Henry's in September 2019.

Subject staff will be in faculty areas throughout the evening to answer questions about our wide range of Sixth Form courses.

Prospective Sixth Form students are invited to meet Mrs Willis, Head of Sixth Form, who will be available in The Quad (our Sixth Form cafeteria and coffee bar). You may also like to meet our Senior Students, who will also be available in The Quad throughout the evening.

IPADS TO SUPPORT LEARNING AND PROGRESS

Why use iPads?

Prince Henry's Grammar School uses iPads to enhance students' learning experience. In April 2014 the 'Ipad for Learning' scheme was introduced, which now gives all students in Years 7 to 13 access to their own iPads to use in lessons. There is significant evidence to support the positive impact of iPad use in the secondary school setting and this evidence comes from a range of sources, from independent university research projects to Ofsted inspectors. Feedback from our teachers, students and parents is very positive about the impact on student motivation, learning and progress.

At Prince Henry's, teachers across all subjects plan lessons that incorporate the use of iPad technology, when appropriate, to support learning and develop skills essential for the 21st century. It is important to note, however, that iPads are used to enhance traditional methods of teaching, not replace them.

iPads are not an educational necessity, but they can really add value to the learning and education of our students. Staff and school leaders are ambitious to give every student at Prince Henry's Grammar School the maximum opportunity to succeed in our extremely competitive 21st century society.

iPad For Learning Donation Scheme

The overwhelming majority of our current parents have opted to join the Prince Henry's 'iPad for Learning' scheme, which means that for a monthly donation their child has access to a new iPad, a robust carrying case, apps and insurance, thus providing excellent value for money for parents. Students who are part of the iPad for Learning scheme (or have their own iPad) have full use of iPad technology (24 hours a day 365 days a year) to support learning at home as well as during lessons.

Equity of Access

Usually there are some students who have full access to technology at home and some that do not. Our aim is to create a level playing field for all our students. This is why no child will be excluded from the iPad for Learning scheme because of financial circumstances. The school has allocated funds to support those families in very challenging circumstances.

Further Information

For further information about the use of iPads in school and the iPad for Learning scheme please visit our website, where you will find a range of documents under the School Information / Parent Zone tab. There is also a staffed information point in The Quad this evening.

If your child secures a place at Prince Henry's, detailed information will be provided in the summer term in order for iPads to be distributed to the new Year 7 intake in late September.
