- It is compulsory for students to wear appropriate PE kit even when excused from physical activities so they can coach and assist in the lesson (unless this isn't possible e.g. due to a cast). If students forget their PE kit, they will be required to borrow spare kit.
- If participation in practical PE is not possible for any reason, then a dated note from a parent/carer should be written in the planner outlining the issue. If non-participation is longer-term (more than two lessons) then a doctor's note will be required.

Kit can be ordered online from the Prince Henry's school PE kit area on the Price and Buckland website (the PE kit suppliers) or directly from JR Sports in Otley.
