Dear Parent or Carer,

RE: YEAR 10 GCSE INFORMATION EVENING Thursday 19th September 6.30pm

We are holding an information evening for parents of Year 10 students on Thursday 19th September at 6.30pm in the Main Hall. The evening will provide an overview of the examination system and cover issues such as assessment, the organisation of Key Stage 4, target setting, reporting and how the school will support your child through their GCSEs. We will also have brief presentations from our English, Mathematics, Science and Modern Foreign Languages faculties who will explain how those courses work and give suggestions on how you can support your child's studies in those subject areas. This evening is aimed at helping parents understand the complexities of the exam system and how it will work for your child.

We intend to speak for about an hour and I will be available at the end of the evening to answer any individual questions you may have.

The event will begin at 6.30pm and should not finish later than 7.30pm.

Please could I clarify that this event is for **parents/carers only** as space is limited. We hope you are able to attend.

S. Knight
