

Prince Henry's Grammar School
COLLABORATIVE LEARNING TRUST

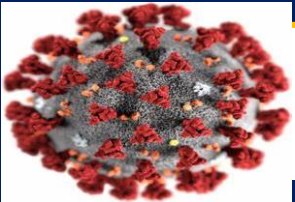

Remote Learning

Why?

- Your home 'lessons' have been planned to continue developing your knowledge, skills and understanding.
- By completing this work, you will ensure you do not have 'gaps' in your knowledge, skills and understanding, when you return to school.
- This is an opportunity to develop your independent learning skills, skills which will be transferrable throughout your life.
- This is an opportunity to use the technology we currently use to enhance your learning, but also the chance to explore other creative ways to learn.
- Most jobs these days, work in a flexible and remote way, so you are getting ahead of the game.

This situation is unprecedented!
Take control and be self-disciplined.

Coronavirus: Covid-19

Managing your own well-being...

- Your 'lessons' will be posted as tasks on **Firefly** and will be available on the day you would normally have a lesson.
- Manage your time carefully- meet the deadlines set, so that you are well prepared for the next 'lesson'.
- The tasks will be archived over time, so don't miss any.
- Any other recommended resources/work will be **signposted** from **Firefly** by your teachers.
- Staff are working very hard to ensure the 'lessons' include a variety of tasks and activities, with clear instructions on how to complete the work.
- Complete all work set – don't have 'GAPS', remember 'Keep-Up!'
- For some tasks you may be asked to submit work.
- For some tasks you may receive feedback to help you improve it and to challenge you further.

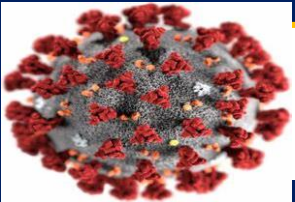

Firefly will work on
any device.

To access Firefly, type in <https://phgs.fireflycloud.net> into your web browser,
click on Office 365, and enter your school log-in details.

School password is PRINCEHENRYS

Coronavirus: Covid-19

Managing your own well-being...

Advice:

- You may be away from school for a prolonged period of time, so you need to keep to a daily routine for learning.
- If possible, have a **designated space** to work in at home, perhaps at a table, desk or worktop.
- Take **regular breaks** & changes of subject or activity (like at school: hourly/break/lunch/after school).
- Avoid always having your **phone** or other **distractions** nearby, again like at school.
- **Stay calm** & know that all staff are working to help you.

STUCK?

TRY 3 BEFORE

Or make a list, if you're still unsure, to ask when your return

 <p>ASK A FRIEND!</p>	skip it AND  try again later	Use your NOTES! 
 RE-READ THE DIRECTIONS	 ASK YOURSELF... Can I do this a different way?	 STOP THINK... TRY AGAIN!

If you struggle to understand something?

You can always check out the amazing on-line resources – such as on-line tutorials and don't forget:

<https://phgs.fireflycloud.net/library/online-resources>

Be mindful, if your teacher falls ill, work may not be set for a while. Once your teacher is well again, tasks will be set as normal.

Keep on Learning....

- It is crucial that you 'keep up' with your lessons – but it is also a time to work independently and explore new resources on your own.
- A good place to start
<https://phgs.fireflycloud.net/library/online-resources>
- If you have any serious technical issues which you are unable to solve, please email ITservices@princehenrys.co.uk
(They may be able to help you remotely)
