Ordering PHGS Kukri Teamwear and Playing Kits

Dear Parent/Carer

The PE faculty are in the process of asking players to source kit for our sports teams from our current suppliers Kukri. As a faculty we feel that having all players in the same kit helps the students come together as a team and look smart, especially when playing away fixtures at other schools. The kit supplier Kukri was chosen as the price is competitive and the quality of the kit is very good. This kit can be worn for all school training sessions and matches.

To enable students to order playing kit that is the correct size I would like to invite you and your child/children to the following fitting afternoon:

Sizing Morning – Friday 11th October 2024 - School Sports Hall at break time for all pupils.

Members of the PE team will be in attendance with samples of the playing kit and team wear and will be able to give guidance and advice as to what sizes students should order. However, ultimately the sizing decision is down to the individual so they should ensure they note down the correct sizes to order at home. Orders and payment can then be made on the Kukri website under the Prince Henry's Grammar School Club shop tab. Items can be personalised with numbers (but players should check squad numbers with their team coach first) and names (**surnames** - not first names or nicknames) on the back of the shirt.

The web link for this is:

www.kukrisports.co.uk/teamshop/princehenrysgrammarschoolclubshop/productNavListNg.action

The order system is 'live' now until 18th October for parents to place orders.

If students are unable to make the sizing afternoons, please contact a member of the PE faculty who will try to arrange for your child/children to be correctly sized during a break or lunchtime.

Please be aware that:

- Kit takes between 4-6 weeks to be delivered from ordering and will all be delivered to school.
- Purchasing kit does not guarantee that your child/children will be selected for games/matches.
- Students who choose not to purchase kit will still be eligible to represent the school in fixtures and will be loaned appropriate items as necessary.

Many thanks.

PHGS PE & Sport Faculty
