

## Year 11 Core subject trial examination timetable - March 2019

- Between Thursday 14th and Friday 22nd March year 11 students will have trial examinations in the core subjects.
- For most students this will be for English and Maths only, with exams primarily scheduled around when English and maths lessons take place.
- All these exams will take place in Main Hall.
- Some students will complete additional exams in TRIPLE SCIENCE and/ or Further Maths.
- Class teachers will discuss the requirements and revision needs in lessons prior to the exams.
- Details of lengths of exams, start times and when to arrive are shown on the table below.
- On the Friday afternoon (22nd) students will receive 'mock' results for all subjects. This will be based on staff predictions and follow a similar format to that experience in the Summer.

| Date                 | Exam                       | Length of exam | Taking place during | When to line up in Quad   |
