

Dear Parent/Carer,

Thank you so much for your engagement with the transition process this year. We have been very grateful for the information you have shared and the support you have given your children.

The virtual transition resources will remain on the schools website for the duration of the summer holidays and I would encourage you to revisit them should you or your child have any questions.

We will be sending an email to all parents on Monday 7th September. This will have in it the name of your child's year 7 form, form tutor and their tutor room. It will also identify while mini school they are in (French or Spanish). This will allow us to direct the students more accurately when they attend school on their first day, Tuesday September 8th.

Please check your emails later on in the summer holidays for any reminders around the return to school.

We look forward to welcoming your child to Prince Henry's in September and would like to take this opportunity to wish you all a restful and enjoyable summer holiday.

Yours sincerely,

Mr S Day
