**Other useful websites**

Vocab learning - search for specific courses to match the courses being studied. Some staff have set up groups for this already for students. There are also learning sets on here for the films and books studied by students in KS5.

Lots of online exercises on different topics and grammar points in all 3 languages.

This German website is in multiple languages, including English, and has links in the Learn German section to current affairs articles, the slowly spoken news, reading and listening activities linked to topics on the A Level syllabus and lots of materials for reading around the topics studied.

nachrichtenleicht

Short German news articles with the option to listen / follow and download the audio.

tagesschau.de

100 second video of the daily news roundup. Really useful to keep up to date with what is happening in Germany with video.

If you talk to a man in a language he understands, that goes to his head.  
If you talk to him in his language, that goes to his heart.
