

Re: GCSE Mathematics Revision Guides

Dear Parent/Carer

I am writing to let you know about resources that are available to support our GCSE students through their Mathematics course and exams. The following Collins revision guides are specific to the exam board we currently use (AQA for Higher and OCR for Foundation) and are available to buy at a reduced price from school. School can provide a 50% subsidy to students who are currently in receipt of free school meals. Where applicable, please pay the lower amount of £2.75.

New GCSE Maths AQA Revision Guide: Higher 3 in 1 £5.50

New GCSE Maths Revision Guide: Foundation 3 in 1 £5.50

If you would like to purchase any of the above, please pay through your child's SCOPAY account. Alternatively, complete the reply slip below and return it with the correct money (cheques payable to P.H.G.S) to the finance office by Friday the 27th February 2026. Online payments do not need a reply slip.

These are purchased on a pre-order basis, so there will be a delay between payment and your child receiving the textbook. If your child is in year 11, please consider sourcing from an alternative provider if they need the book immediately.

Yours faithfully

Robyn Davies
Ks4 Maths Area Leader
