

9th September 2026

Dear Parent/Carer

**Higher Education Parent Support Evening
Wednesday 16th September Library**

As students begin the process of applying for Higher Education places, I would like to invite you to a follow-up event to the Higher Education Information Evening held last March. The Higher Education Parent Support Evening will run from 4.00pm until 7.00pm on Wednesday 16th September and will give any parents and carers who have specific queries regarding the Higher Education applications process the opportunity to seek answers from a member of the Sixth Form team; of course, students should also attend if possible. For general information about the application process, UCAS produce an excellent parent and carer guide [UCAS Parent and Carer Guide](#)

Hopefully we will be able to answer any more specific questions you may have about the applications process, choosing courses, and financial support.

To ensure we can give you the most accurate and detailed advice and to avoid unnecessary waiting, I would appreciate it if you could select your appointments via the link here:

Yours faithfully

Mr M Johnson
Assistant Headteacher: Post-16 Learning
