

8th October 2026

Dear Parents/Carers

KS4 Subject Revision Guides Summary

Many subjects recommend subject based revision guides and materials to support students over the duration of their courses of study. In some cases, there is the option to buy these resources in bulk and pass any savings onto our students' families. The opportunity for families to purchase these resources comes at different times of the year, dependent on what works best for each subject.

Where a department recommends a resource, a summary has been provided below, along with any details of when they may be made available to purchase, if there is the opportunity to buy the resource through school. We hope you find this information useful.

Subject	Recommended Resource	Opportunity to purchase?
English	AQA GCSE English Language and Literature CGP Revision Guide / Workbook	
Mathematics	Collins GCSE 3in1 Revision and Practice Book (Higher and Foundation)	Letter sent via Arbor, November Year 10 & Year 11
