Parking Pledge

As part of our commitment to sustainability and reducing nuisance to our neighbours, we now ask all our External Lettings to sign up to this Parking Pledge as part of their letting agreement.

We pledge that:

1. Where possible, attendees at our letting will not travel by car, but will use public transport, cycle or scoot or walk to Prince Henry's Grammar School.
2. As an organisation seeking to establish a letting agreement with Prince Henry's Grammar School, we will promote the use of sustainable modes of travel where possible.
3. If attending by car, our attendees will park in the area(s) of the car park(s) at Prince Henry's Grammar School which we have been allocated, to reduce congestion in the car parks.
4. Our attendees will not park on Prince Henry's Court, in the Yew Tree Pub Car Park, on the entrance roads to the school car parks or in such a way as to cause an obstruction for the pedestrian crossings near school.
5. If our attendees park on roads in the surrounding area where public parking is permitted, they will park with consideration for residents, pedestrians and other road users.
6. Our attendees will bear in mind that Prince Henry's Grammar School is a community high school at the heart of its local area and will enter and leave site with consideration for local residents.

As an organisation, we understand that failure to adhere to this parking pledge may lead to the suspension of our letting at Prince Henry's Grammar School.
